

RCHCA meeting 11 October 2012

President John Robinson called the meeting to order at 7:35 pm .

Minutes of 24 May read and approved.

Treasurer's report (separate from litigation fund) showed income for the year of \$7857 and expenses of \$6339 with an additional of circa \$2500 anticipated for the Halloween event. This would result in a net decline of circa \$1000 for the year.

The litigation fund has a current balance of circa \$22,000.

The treasurer's report was approved.

The Halloween parade and potluck will be on Sunday, October 28.

All current officers (except our Treasurer) of RCHCA have stated a willingness to continue to serve for another year. A nominating committee was select to propose a full state of candidates. Sandra Von Bochove was selected as the chair of the committee.

John Robinson gave a summary of our current proceedings vs the Board of Education, The Department of Natural Resources, etc. We have requested an injunction to prevent a construction start. There will be a hearing in Rockville on 16 November. It was noted that the county has appropriated funds for an additional middle school in the BCC cluster.

Covenants issues were discussed. The lawn service operating out of a residence is in violation of both our covenants and county code. There was additional discussion of other covenant issues.

Meeting was adjourned at 8:13 pm.

Respectfully submitted

Ken Sanford
Secretary, RCHCA
